All board members are honored to support all members of our community and look forward to a fantastic 2014! We have some new improvements taking place currently and in the coming months.

- Lighting has been added at the pool to enhance the ability to see at night when swimming and for safety reasons to monitor the pool after hours.
- Security has also been hired to monitor the pool during swimming hours. The times will be staggered based on usage to ensure a safe and family friendly environment for all members or our community.

Projects and Improvements

- We are pleased to announce our redesigned website – www.tanglewoodatmansfield.com. Check it out today for forms, contact information and to pay your quarterly HOA dues! **** you will have to register again ****
- Clearing of the brush in common areas behind the pool, creek and behind the parking lot by the pool. This creates a more usable space and areas for children to play and explore.
- Repair of the brick fence along the entrance on South Cooper. The fence was collapsing and the mortar was crumbling due to age. This should be completed within the month of March 2014.
